CHC33015 Certificate III in Individual Support (Ageing, Disability, Home & Community Care)

This qualification reflects the role of workers in the community and/or residential setting who follow an individualised plan to provide person-centred support to people who may require support due to ageing, disability or some other reason. Work involves using discretion and judgement in relation to individual support as well as taking responsibility for own outputs. Workers have a range of factual, technical and procedural knowledge, as well as some theoretical knowledge of the concepts and practices required to provide person-centred support.

To achieve this qualification, candidates **must successfully complete at least 120 hours of work** as detailed in the Assessment Requirements of the units of competency

Delivery options: Classroom / Blended (flexible)

- Part-time classroom (optional)
- Average Classroom duration 14 weeks (plus placement)
- Average enrolment duration 6 to 12 months

Traineeship requirements ONLY

- Average weekly hours (15)
- Nominal traineeship term (12 months)
- New Entrant ONLY

Fee for Service or Smart and Skilled Funded Training Pathways also available!
