2018 Study Sessions for Aged Care Individual Support - Ageing, Disability, Home & Community Care

Due to the overwhelming success of previous year's sessions, KARBEN Training Solutions will again be offering weekday and Saturday sessions for Certificate III Individual Support & Certificate IV in Ageing qualifications for eligible participants.

Why should participants attend these study sessions?

- During these sessions, participants will cover some of the theory requirements for up to 3 units of competency whilst also gaining tips and examples for workplace tasks to be completed back in the workplace.
- Hours spent at the study sessions may count towards traineeship off-the-job training requirements.
- Days are facilitated by experienced and fully qualified industry trainers.
- Sessions provide a forum for participants to share experiences with other carers whilst completing assessment activities suitable for classroom completion.
- Study sessions are open to non-enrolled KTS students for the purpose of professional development or training (POA)
- Enrolments open for these sessions 3 months in advance and enrolments **must be** completed online www.kts.edu.au

Location for scheduled study sessions

Central Coast NSW
KARBEN Training Solutions Training Centre

Study session times

Sessions commence at 9am sharp and finish at approximately 5pm.
(Weekday classes run between 10am-4pm with independent work between 9am-10am & 4pm-5pm)

Enrolment fees

There are three different categories of enrolment fees depending on your current situation;

Category 1 Current enrolled student with KARBEN Training Solutions in a full qualification: \$20 per session (Saturdays only)
You are eligible for this category only if you are a current enrolled student with KARBEN Training Solutions in a full qualification via a traineeship or fee for service pathway

Category 2 Not a current student, requiring a Statement of Attendance for Continuous Professional Development (CPD): \$150 per session
You are eligible for this category if you are not a current student at KARBEN Training Solutions and require a Statement of Attendance for Professional Development purposes

Category 3 Not a current student, requiring a Statement of Attainment (Price is determined commencing your enrolment online)
Each session will cover the theory requirements for one or more units of competency in a classroom setting with assessments completed post class. Once assessments are successfully completed and returned to KARBEN Training Solutions, they will be reviewed by an assessor and if deemed competent, a Statement of Attainment will be awarded.
